

Mrs. James C. Crory of Boston arrived in Coopers Tuesday where she made a short stay visiting Mr. and Mrs. Churchill leaving Saturday for Standard, where she will visit Mr. and Mrs. Sam. Crory. Mrs. Crory is Sam Crory's mother.

Jack Bolton, who has been spending his vacation here on the ranch returned to his home in Bassano this week where he will go to school this winter.

Mr. and Mrs. John Thorne arrived in Coopers Saturday from Boston. They will spend some time visiting here with Mr. and Mrs. Churchill and will then go to the coast. Mrs. Thorne is a sister of Mrs. Churchill.

School will open bright and early next Monday morning at Bassano.

Mrs. Sharp is on the sick list this week.

Mrs. Gandy will move to town this week where they will live for the winter.

The cold spell is giving us all a chance to get a real hard work after a summer of hard work.

Crowfoot

Mr. Ernest Lyster, a former resident of Crowfoot, who spent several days visiting old friends and neighbors, returned to his home in Ashcroft, B.C.

Mr. Frank Murchison was a business caller here Friday night.

Mr. and Mrs. Duncan Clark of Cluny spent Sunday at the home of Mr. and Mrs. D. J. Guyatt.

Mrs. Charles Millard and Mrs. Robt. Lowry "motorized" to town Friday on a shopping expedition.

Mr. Ellis Campbell has just loaded a car of wheat.

Miss Nellie Graham was called home owing to the illness of several members of the family.

Several are complaining of severe colds, which resemble the old time "grippe".

Many of the farmers are content to sit back and enjoy the good weather being generously distributed in our locality, even though threshing is temporarily held up.

Graham & Guyatt are taking contracts for threshing in the districts of Coopers and Crowfoot.

Mr. Ernest Lyster and Dave Heffelbower made a business trip to Makepeace Monday morning.

Mr. Moss has leased the Lyster farm, Mr. Campbell contemplating buying on his own place.

Noting the various fields of fine thifty weeds, one would judge there was no need for inspection for this district.

Hussar

Miss Evelyn Logan is visiting with Miss Vivian Aldridge, J. G. O'Brian, R. Janz, R. Noyes and Ole Christensen, Calagay visitors last week.

We are glad to see Mrs. Christensen back in our midst after a successful operation in Bassano hospital.

R. M. Burton and C.R. Staples spent Labor Day in Calagay.

Building activity is quite brisk, the new school is rapidly nearing completion, a new blacksmith shop is being built and it is rumored that we are to have a lumber mill.

The recent snow fall has put a stop on threshing operations.

The dance in the station last Saturday night was enjoyed by a goodly number of our young people.

A. B. Campbell spent Labor Day in Calgary.

The Ladies aid will meet at the home of Mrs. Anderson on next Thursday.

Several flocks of wild geese have been noticed this last week. They are perfectly safe in this neck of the woods unless the hating eye of our local nimbros improves considerably.

Mr. Aldridge, our new school teacher, and family have moved to town.

Attorney General J. E. Browne is in Coopers in an effort to decide upon a satisfactory policy regarding steel loans in the dried out areas.

Mayor Bredin May be Chosen As Candidate For The Bow River National Progressive Party

There is a possibility of H. O. Bredin, mayor of Bassano, being chosen as Farmers candidate for Bow Valley riding to contest the federal election.

Mr. Bredin will offer the nomination for the provincial house by the Farmers party but declined at that time.

If the Farmers chose Mr. Bredin for the Dominion candidate he would get powerful support and undoubtedly

Town Council Decides Upon Electrification of The Water Pumping Plant

The town council at the last week's meeting, decided upon the electrification of the town pumping plant and asked the waterworks committee to draw up a contract with the United Electric Co. and also ascertain costs of changing over from the steam auxiliary plant.

The company has expressed a willingness, through Robt. A. Brown, superintendent, to accept any fair terms the town committee might offer.

The electric plant is in good shape and the auxiliary steam plant working well.

The motion adopting the report of the committee was fathered by Councillor Stiles.

Travis and Councillors Travis, Skerritt also moved that the committee draw up an agreement for submission to the electric company.

The present auxiliary steam

plant will be offered for sale and already enquiries have been received as to the price wanted for same. A 40 h.p. motor will be purchased in its place.

The town overseer, W. H. Dance, reported that the incinerator stack is ready to be raised. An effort was made to get the P.M. crew to do the raising when the stack is put up on the round house but Supt. McArthur said the work was different and his men could not handle it, so Mr. Dance will go ahead with the raising himself. Mr. Dance also reported that the steam boiler at the pump house had been repaired and put in good shape.

The council is considering making a new agreement with the company for the supply. At present the company pays a flat rate of \$10 a day and uses close to 100,000 gallons.

"Fatty" Arbuckle Held For Manslaughter In Death of Movie Actress

San Francisco. An indictment charging Roscoe Arbuckle with manslaughter was voted by the county grand jury by 12 to 2.

San Francisco, Sept. 13.—A statement expressing the conviction that perjury had been committed by one of the chief witnesses for the prosecution and the jury's investigation last night of the death of Miss Virginia Rappe, film actress, for whose alleged murder Roscoe (Fatty) Arbuckle is under arrest, was issued here today by District Attorney M. M. Brady.

In the statement, he also charged that he believed undue influence and pressure of a sinister character has been brought to bear upon certain witnesses. Whether or not an arrest will be made to continue the charge of perjury he said, would depend upon further developments.

In his statement, District Attorney Brady charged that Miss Zay Provest, also known as Zay Pyro, had charged her tell-tale bones are the grand jury, from which she had given previously. District Attorney Brady also charged in his statement that Miss Alice Blake, another prosecution witness, had been attacked in any way.

San Francisco, Sept. 14.—San Francisco (Fatty) Arbuckle, who is charged with murder, is an occupant of cell No. 12 on a tier called "felony row" at the San Francisco jail. He has been lined up with the 80 other prisoners in "felony row." Arbuckle asked for toilet articles. "Has any one got any soap?" he asked, "and a towel and a comb? I have nothing else. Not a thing, nothing."

To sympathize his remark Arbuckle turned his pockets inside out.

Taking advantage of prison regulations, Arbuckle this morning had his breakfast sent from a restaurant and had a barber call at the jail to shave him.

Arbuckle, according to prison authorities, stated today that he was through with liquor. "I'm through with booze forever," he is declared to have said.

The cell occupied by Arbuckle is made up of solid steel walls and the top is barred. District attorney Brady, who

will have charge of the prosecution of Arbuckle, said the state's case is so weak that he would be conclusively either that an assault or an attempted assault was perpetrated.

"Following the assault," Rappe died as a result of internal hemorrhage, he added, the evidence in his possession "showed conclusively either that an assault or an attempted assault was perpetrated.

The chairman reported that he had thoroughly investigated the defective sewer at the hospital and submitted an estimate by Jack Allen for a masonry and tile drainage system for the kitchen at a cost of \$158 for the former and \$32 for the latter. Moved by R. E. Robinson and seconded by E. F. Maurer that Mr. Allen's ten dollar fee be accepted and the work completed by Oct. 1, 1921 Carried.

The secretary reported that no reply had been received from Dr. DaSilva against the hospital staff. After discussion it was voted A. E. P. Robinson that a letter be written to the secretary of the municipal hospitals branch stat-

Less Troublesome Adjustments

As a rule the adjustment you get on a defective tire, doesn't quite satisfy you. Mainly, we suppose, because we are all human and want a little more than we are entitled to.

But even our most private opinions on the fairness of an adjustment, can find no fault with the method of settling claims on Ames Holden "Auto-Shoes".

You are always right with ourselves and the manufacturer. We personally look after your interests. There is no argument in fixing our measure of responsibility and your compensation. Ames Holden "Auto-Shoes" are guaranteed to stand up to material or workmanship without time or mileage limit. They are adjusted on that basis without quibble or evasion.

ANYTHING BUT
HALLIDAY

The coming election will, if it does little else, enable Bow Valley riding to get rid of Howard Halliday, who has misrepresented this fair constituency in Ottawa for the past four years. Halliday was nominated on a fluke and elected on strength of the Unionist party's conscription policy. His parliamentary career has been a joke. He moved to Ottawa and took up his residence there and from that day to this has been a stranger to the riding. His policy has been one of inertia. He apparently cares and thinks only about the collection of his sessional indemnity. Such is the species of representative that Bow Valley has to suffer!

LOWER RATES
ON FREIGHT

Bow Valley employees are willing to accept their wage reductions providing freight rates are lowered.

This is a fair enough proposition.

High freight rates has done more injury to industry in the west than any other single thing.

Until freight rates are lowered the long-looked-for "businesses recovery" will never take place.

Now is the time for lower rates and the sooner the better.

SCHOOL FACILITIES

Bassano is doing her best to accommodate and give education to all the children of the district. But there are limitations to the present accommodation and it is not within the power of the board to further increase room for more students now.

However, the Bassano school board is planning to take the children as they come as long as any room is available. After that further students will not be able to enter school.

Education is of tremendous importance nowadays, and the Bassano school board is doing all in its power to excellent educational facilities of the town, as far as possible to those living outside of the district.

NOT MUCH HELP

The government announced with somewhat of a flourish that the cattle owners would receive assistance to enable them to carry on during the prevalence of adverse conditions. It now transpires that the "assistance" amounts to very little. The banks were instructed not to press cattle owners for liquidation of indebtedness where the security was good. Now we had always supposed that banks had made this method of procedure a common practise. Few financial institutions unduly press debtors who are well worth the amount of indebtedness. The relief merely amounted to a flurry of words meaning nothing.

BOW RIVER IN POLITICS

The Mail understands that H. H. Halliday M. P. for Bow River, will not run again in the coming election. Probably the Liberals will contest the seat, and it is a certainty that the Farmers will have a candidate. The Conservatives will hardly be likely to place a man in the field. The U.F.A. political association for the riding meets in October to decide on a candidate. Mr. Buckley, M.L.A. for Gleichen, is the president and Mr. Garland the secretary of the Farmers party.

EDITORIAL NOTES

Rainmaker Hatfield got \$5,000 for trying to make rain in Medicine Hat. H.H. Halliday

has been getting \$4,000 a year for being Unionist member for Bow River. Hatfield, of the two, is to be most admired for at least tried to earn his money.

An optimist is a cattle owner who maintains a smile in spite of the fact that cattle are lower in price right now than they have been in 10 years.

Bassano's school facilities have attracted many students to town for an education. As long as there is room these outside pupils will be looked after.

The Indians now have their coal mine to themselves and will probably proceed to ruin it.

A couple of Okotoks citizens slipped one over on the editor of The Okotoks Review by getting him to print a news item of an accident that had never happened. The Review thus retellates:

"We are sorry to report that our trusting confidence has been sadly violated, our faith in human nature severely shaken and after."

the reputation the Review has built up in 15 years of never making a mistake has been shot to pieces. We estimate our damages, both mental and actual at \$10,000 and if either of the two unscrupulous perpetrators of this atrocity had any more visible assets in sight we would have been able to get superannuated wrecks by courtesy called motor cars we should take action against them for that amount. As it is, however, we suppose we shall have to wait our chance to get even.

THE EDITOR SHOULD
"TELL THE WORLD"

(High River Times)

Suppose an editor should just for once, when in thought relieve his mind by printing all the news he happened to know at that minute! Options would be thrown up, citizens arrested, families disrupted, fights fought on every street minister leaving for distant points, lawyers taking long vacations, business men turning over their clerks for a season, hired girls hunting new jobs and so on down a long list of casualties—and the editor would be so muzzled up that his corpse could not be identified by his own family.

A newspaperman does not know everything but his work is such that he bears a lot that commences, common decency and common prudence keep out the paper.

GOLD CLAIMS BEING
STAKED ON RED DEER

Calgary Land Office Reports
Activity on Part of Gold
Prospectors

Three more claims were recorded at the Calgary land office on Monday morning following staking in the new placer gold prospect on the Red Deer river, east of Red Deer. At the same time, other powers of attorney have been filed and parties are still looking over the ground where it is hoped the precious metal will be obtained in paying quantities.

Persons who registered their claims here on Monday stated that a regular rush is developing to the centre of activities on the Red Deer, and it is probable that many claims will be recorded within the next few days.

Some of the dredging rights on the river have been taken up and many shore claims filed. At the same time some gold seekers have staked and filed on claims that are not even on the river bank, but behind those actually running down to the water.

The claims allowed are 1000 feet by 500 feet, and a filing fee of \$5 is required for each claim by the land office here. At the same time the prospector must put up a bond of \$500 to cover any damage that might be done to the land in searching for gold.

JUDICIAL NOTICE

To PERRY ROBESON, formerly of near Eymore.

TAKE NOTICE that an action has been commenced against you in the Supreme Court of Alberta, Judicial District of Edmonton, by the Standard Mortgage Investors, to recover the sum of \$913.00 being the principal and interest due by you under the mortgage which you made in their favor at the South West Quarter of Section 30, Township of Range 18, West of the 4th Meridian, Alberta, and also for foreclosure of said mortgage.

AND FURTHER TAKE NOTICE that unless before the 17th day of October 1921, you deliver a statement of Defence or demand that notice of any application in the said action be given to you, the Plaintiff will apply to the court for a final order for foreclosure.

Dated at Calgary, this 6th day of September, 1921.

IN STAGING PLAY

Sgt. Rayfield, Wearer of Victoria Cross, Assisted Picture Director With "The Hope".

The world war was almost a private fight so far as Sgt. Robert Leigh Rayfield was concerned. When the need of capturing enemy trenches was over that California wearer of the Victoria Cross went right back to ranching.

Now he's re-paged battle-field experiences by supervising military technical details for the motion picture camera in part of "The Hope", the colossal spectacular melodrama produced by Metro Pictures Corp. in Hollywood.

Sgt. Rayfield enlisted in the Canadian infantry from Los Angeles. When he turned he went to work for Mrs. Anita M. Baldwin on her ranch near Los Angeles. When the king and queen of the Belgians came to Los Angeles, Sgt. Rayfield was one of the four war heroes who acted as a guard of honor.

Jack Mulhall, Ruth Stonehouse, Frank Elliott, and Marthe de la Motte head the all-star cast in "The Hope", which will be shown at the Gem Theater Monday and Tuesday.
